\*NOTE: If proposed water supply well is within the area referenced in the Ventura County Well Ordinance No. 4468 Sec 4826.1-Water Well and Water Well Prohibition, your permit application must be accompanied by documentation explaining the reason for a variance request. If the proposed water supply well is in an area that is exempt from the prohibition (e.g. FCGMA), your permit application must be accompanied by the proper agency permit/approval.

I hereby agree to comply with all provisions of Ventura County Ordinance No. 4468, and all applicable State of California and local regulations pertaining to well construction, repair, modification and destruction. I agree to comply with all conditions of the issued permit to submit required post-work documents and reports. I understand that any modification of the issued permit requires approval by the Manager, Water Resources Division, and that the information contained herein becomes a part of the permit when issued.

**APPLICATION FOR WELL PERMIT**  
800 South Victoria Avenue; Ventura, CA 93009-1610

**Well Location Map / Site Plan:** Indicate exact location of proposed well, all existing wells of all types (regardless of whether they are subject to regulation under Article 1 of Ventura County Ordinance No. 4468), drainage pattern of the property, all intermittent or perennial, natural or artificial water bodies or water courses, property lines (with APN number), sewage disposal systems or works carrying or containing sewage, access roads, livestock and animal keeping areas, composting or mulching operations areas, and solid waste disposal sites. Setbacks from potential sources of contamination shall comply with the California Department of Water Resources *California Well Standards Bulletin 74-90* available at the following website address:

[http://www.water.ca.gov/groundwater/well\\_info\\_and\\_other/california\\_well\\_standards/well\\_standards\\_content.html](http://www.water.ca.gov/groundwater/well_info_and_other/california_well_standards/well_standards_content.html)

Map should be drawn to scale or show distances of the above items from the proposed well. Map extent should be a minimum radius of 500 feet from the proposed well.
